

# YOUR BRICKS BUY BOOKS!

**YOU can help fill the shelves of the Clayton Community Library!!!**

Your donation to the **Clayton Community Library Foundation BRICKS BUY BOOKS CAMPAIGN** will purchase a brick to be inscribed with your name, or the name of a relative, friend, organization or business. These bricks line the walks at the Clayton Community Library.

Your name engraved on one or more of these permanent bricks will tell everyone that you helped buy books and materials for the Clayton Community Library.

Your donation for a brick is tax deductible. It's a perfect way to honor others. Why not buy one for each member of your family or as gifts for someone who has everything?
